

EQUIPMENT FOR SALE AT THE APIARY (List 2019A)

As usual we will have a small selection of supplies available for members at apiary meetings. Because we buy in bulk and take advantage of special offers you will find that our prices are generally lower than from anywhere else, and with no carriage charges! This is a valuable service to members, but does take volunteer time, so please read below about ordering. All available at apiary meetings (subject to stock).

How to order

Please **email orders in advance** to **Lisa Baker** on shop@wgbka.org.uk so that they can be ready for you. Counting, checking and packing does take time and Lisa is busy, so please order at least 2 days before the meeting.

Minimal stock may be available "on demand" at meetings, but availability depends on prior sales, so you may be disappointed if you don't order ahead. For these you should be prepared to wait until the end of the meeting. It may also be possible there is nobody in attendance who can operate the shop.

All prices are **per single item** unless stated otherwise and are correct at April 2019 for current stocks. We reserve the right to vary prices if there are changes from suppliers.
